Numb. 9222.

The London Gazette.

Published by Authority.

From Tuesday December 5, to Saturday December 9, 1752.

Lisbon, October 24.

WE are informed by Letters from Count d'Atouguia, Viceroy of the Brazils, that the rich Ship expected there from Goa was not arrived, and 'twas greatly feared was loſt in a Tempeſt. The King intends to eſtabliſh a new Colony at Maranbaon, on the Confines of Spaniſh America, for which Purpoſe his Majeſty has ordered a great Number of Priſoners, both Men and Women, to be releaſed from their preſent Confinement, and ſent thither to cultivate the Land.

Naples, Nov. 7. On Wedneſday laſt their Majeſties came hither, with the reſt of the Royal Family, from Portici; and on Thurſday, being the Feaſt of St. Charles, whoſe Name the King bears, there was a ſplendid Appearance at Court of the Nobility, Foreign Miniſters, and other Perſons of Diſtinction, to compliment their Majeſties on that Occaſion: After which their Majeſties dined in Publick; in the Evening they were preſent at the Performance of a new Opera; and at Night there was a triple Diſcharge of the Cannon of the Fortreſs, and Illuminations, ringing of Bells, and other publick Rejoycings throughout the City, on Account of their Majeſties coming to reſide here for the Winter.

Petersbourg, Nov. 9. Her Imperial Majeſty has given Orders that a ſufficient Quantity of Wood be furniſhed at her Expence, to the Inhabitants of Caſan, to enable them to rebuild their Houſes which were burnt down by the late great Fires. The Waters of the River Neva are not as yet confined to their natural Channel, but continue to overflow its Banks, by which Means Part of this City is ſtill under Water; and a great Quantity of Merchandize, that we had not Time to remove out of the Warehouſes, is abſolutely ſpoiled.

Rome, Nov. 11. The Diſputes between the Clergy and Parliaments of France, have lately occaſioned the Arrival of ſeveral Couriers at this Court from Paris; and we flatter ourſelves, the Pope has taken ſuch prudent Meaſures, as will not only put an End to thoſe Diſputes, but prevent the like for the Future; and a Courier has accordingly been diſpatched from hence to our Miniſter at the Court of France, with the neceſſary Inſtructions on that Head. The late Cardinal Riviera has, by his Will, left ſeveral conſiderable Legacies to the Hoſpitals and Workhouſes in this City. On Friday laſt Count Maffei, and the Counteſs his Spouſe, accompanied by Count Pelegrini, arrived here from Naples. The Marqueſs d'Oſſun, who arrived here a few Days ago from Paris, will continue his Journey in two or three Days for Naples, where he is going to reſide as Ambaſſador from the Court of France.

Barcelona, Nov. 12. A great Number of Workmen are daily employed in repairing the Fortifications of this City, which were greatly decayed in many Places. We are alſo at Work in making a Road from hence to the Frontiers of France, which 'tis expected will be of great Service to our Commerce. The Corſairs of Barbary continue to appear frequently on our Coaſt, but we do not hear of their having taken any conſiderable Prize for theſe two Months paſt.

Prague, Nov. 18. The Regiments which compoſe the Garriſon of this City, as alſo thoſe in Garriſon in the different Circles of this Kingdom, having lately ſuffered pretty much by Deaths and Deſertion, they are now actually raiſing a ſufficient Number of Recruits in order to compleat the ſaid Regiments.

Ratisbon, Nov. 21. Count Seilern, who arrived here a few Days ago, in order to replace Count Franckenbourg in the Poſt of Ambaſſador from Bohemia to the Diet of the Empire, having delivered his Credential Letters, aſſiſted Yeſterday Morning for the firſt Time at the Deliberations of the Diet.

Frankfort, Nov. 24. We are informed by Letters from the Weteraw, that the Counteſs de Budingue was ſafely delivered of a Son on the 17th Inſtant, to the great Joy of that illuſtrious Family. We learn from Gotha, that the magnificent Caſtle, erected in that City by the late Duke of Saxe Eyſenach, had been entirely reduced to Aſhes with all its valuable Furniture; as were likewiſe ſeveral Houſes adjoining, the Fire ſpreading with ſuch Violence, that 'twas with the greateſt Difficulty a Stop was put to it.

Liege, Nov. 26. The Prince Cardinal our Biſhop, having received Advice of the Arrival of the Elector of Bavaria at the Court of Bonn, has ſent Count Valvaſoni his Great Huntſman, to compliment him thereupon in his Name, and to invite him to ſpend a few Days here before his

his Return to Munich; and as it is not doubted but that his Electoral Highneſs will accept the Invitation, they are already making Preparations at the Epiſcopal Palace for his Reception. We are aſſured, that the Differences between the Elector of Cologn, and the Imperial City of that Name, are on the Point of being amicably adjuſted to the entire Satisfaction of both Parties.

Bonn, Nov. 26. On Friday laſt Baron Sturmerfeld arrived here from Manheim, to compliment the Elector of Bavaria, in the Name of the Elector Palatine, and to invite him to ſpend ſome Days at that Court; and as a like Invitation is expected from the Cardinal Prince and Biſhop of Liege, 'tis thought his Electoral Highneſs will viſit both thoſe Courts before he returns Home.

Bruſſels, Nov. 27. M. Sweerts is appointed Counſellor of the Chamber of Accompts in this City, in the Room of M. de Eſcaille, who is nominated for Counſellor of the Chamber of Finances. 'Tis ſaid her Imperial Majeſty intends next Spring to augment her Troops quartered in theſe Provinces with one or two Regiments.

Purmerende, Nov. 29. Her Royal Highneſs the Princeſs Governante having recommended M. Blydenbourg to be our Deputy to the Aſſembly of the States of the Province of Holland, the Magiſtrates of this Place have accordingly made Choice of him for that Employment.

Hague, Nov. 30. Our Lords the States of this Province continue their Deliberations. The Baron de Steenwick, Deputy to the Council of State, on Behalf of the Province of Overyſſel, is ſet out from hence on a Tour to that Province.

Dublin, November 30.

The Mails which came in Yeſterday having brought an Account of his Majeſty's ſafe Arrival at St. James's upon the 18th Inſtant, the Flag was immediately diſplay'd at the Caſtle, and the Great Guns were fired by Order of the Lords Juſtices, and anſwer'd by Vollies from the Regiments in Garriſon here; and in the Evening there were Bonfires, ringing of Bells, and other Demonſtrations of Joy; and this Day being the Birth-Day of her Royal Highneſs the Princeſs of Wales, the Great Guns were fired at his Majeſty's Phœnix Park, and anſwered by Vollies from the Regiments in Garriſon, which were drawn out in the Royal Square at the Barracks. At Noon there was a ſplendid Appearance of the Nobility and other Perſons of Diſtinction, to compliment the Lords Juſtices upon this Occaſion; and at Night there was a Play given by their Excellencies for the Entertainment of the Ladies.

December 9, 1752.
